Signed Contracts Accepted on May 16th

Sponsor Packages

S4x23 Week: February 13th – 16th in Miami South Beach

We are excited about S4x23 after a big post-Covid comeback with **a record 800 attendees at S4x22** and **a Net Promotor Score (NPS) of 9.35 out of 10¹**.

S4 is an event built for those who want to know what will happen in the next 1 to 3 years in OT and ICS security. The target attendee is knowledgeable on these topics and wants to play a role in creating the future. It is the ideal place to reach early adopters and those open to new ideas. In addition to the great sessions on three stages, 90% of attendees rated the sessions as extremely or very useful content, the attendees love the social events and free time to talk with other attendees and sponsors. It is an event where you can have deeper and longer conversations if you approach S4 with the right spirit.

It is hard to describe how unique S4 is if you haven't been there. Rather than take our word for it, we suggest you reach out to employees or colleagues who have attended in past years.

What's New for S4x23

The Fillmore Miami Beach theater that has been S4's Main Stage since 2017 will be under construction all of 2023. We have moved S4x23 to the Loews Hotel at 16th & Collins. While not a theater, [it is the largest and most beautiful hotel in that part of Miami SoBe](#). We are planning to sell up to 1,000 tickets and a capacity of 1,250 attendees with the speakers, sponsors, press, women in ICS, etc.

This change in venue is forcing some changes and opening up some opportunities for sponsors.

- We have 8 beautiful rooms that are approximately 25' x 20' and are available in the S4 Sponsor Package. You can use these for a new public session on Monday, and demos and private meetings on Tuesday through Thursday.
- We will have a larger and nicer S4 Lounge on Tuesday, Wednesday and Thursday that can be sponsored. The S4 Lounge was new at S4x22 and was a hit.
- We will have a SBOM / Firmware Analysis Pavilion along with a competition in this hot new area.
- The Cabana Sessions will move back to Wednesday afternoon, 1 – 4:30 PM.
- We have designated some of packages for small companies, less than \$25M in sales, and others for non-profit/community organizations.

¹ Attendees were asked "How likely is it that you would recommend attending S4 to a friend or colleague?" on a scale of 1 (Not at all likely) to 10 (Extremely Likely). The NPS is the average of the responses.

S4 is an attendee, not sponsor, driven event. **We are looking for and will be accepting sponsors who can improve the S4 experience for attendees.** There will be a discussion on what you would provide to the attendee experience prior to signing the contract.

We will begin signing contracts for S4x23 on May 16th. If there is a package you want, be ready to submit a signed contract to apply for the package you want on that day. We welcome any discussions and questions any time after you receive this document.

The Loews Floorplan

The Loews event environment is on a dedicated 2nd and 3rd Floor. It is a convenient layout that will address some of the logistic concerns from S4x22. Premium Cabana Sessions Sponsor (4 Total, SOLD OUT \$50,000)

When: Feb 15 from 1 – 4:30 PM

The Cabana Sessions Packages have traditionally been the most in demand sponsor package. We shut down the stages on Wednesday and bring everyone out into the Surfcomber pool area for food, drinks, activities, and most importantly a chance to create and reestablish relationships. There is something about a social event in the daytime in a great atmosphere that loosens the attendees up and leads to long and substantive conversations. It also seems to result in finding opportunities that lead to sales according to both past sponsors and attendees.
