

S4x26 Sponsor Package Application

S4x26 Week: February 23 – 26, 2026 in Miami South Beach

The S4 Sponsor Packages sell out quickly. To maximize your chances of getting the S4x26 Sponsor Package you want you should:

1. Submit this application prior to 1 April 2026. Applications submitted by this date will be considered with the criteria of what will most benefit the S4 attendee experience.
2. Include your first, second and third choices in case your preferred package is unavailable. For Prime Rooms and Cabanas please include your preferred spots in a single preference. For example, Premium Cabana A, C, D would be a single entry with A being your first choice of Premium Cabana, C your second choice, D your third choice
3. Review the contract. When you are selected you will have two weeks to sign the contract. After two weeks, S4 will release the contracts to the next on the list.

Please look closely at the tickets provided in your package. All participants at S4x26 will require a ticket. If you will be sending more people than the package provided tickets you will need to purchase these additional tickets.
